

Friends of Alberta North Region Pony Clubs – WE SALUTE YOU!

The development of this first class Cross Country equestrian course has become part of Phase Two at the Beaumont and District Agricultural Society Fairgrounds. The addition of this four-level course brings a really awesome dimension to the Fairgrounds! The “Tour of the Prairies” theme incorporated throughout this course is very unique and has received many wonderful comments from riders, judges and spectators. With the addition of Beaumont Horse Trials to the Alberta Horse Trials Association sanctioned schedule, Eventing riders from Alberta and beyond have another super place to compete and “Play with their horses”.

The FANRPC Cross Country Committee was the driving force in developing the concept, fundraising and construction implementation. We applaud the many and varied sponsors who so graciously came forward to assist in the financial goals set for this course. You will find them below and listed on our ‘Jump for the Sky Wall of Fame’ at the Fairgrounds:
