

Beaumont & District Agricultural Society (BADAS)

Abusive Patrons Policy

It is a privilege to use the Beaumont & District Agricultural Society (BADAS) Fairground. In response to observed abuse of this privilege, the Society has now adopted this Abusive Patrons Policy.

The BADAS Fairground is private property. Thus, Beaumont & District Agricultural Society reserves the right to sanction at its complete discretion any User who abuses the privilege of using the Fairground.

It is considered abusive use if the User:

1. Does not gain permission to use the Fairground. For information on how to obtain permission to use the Fairground, contact BADAS via its website (www.beaumontagsociety.com) or email the General Manager at admin@beaumontagsociety.com.
2. Does not pay fees associated with use of the Fairground.
3. Does not hold valid insurance for all animals brought onto the Fairground.
4. Does not control the behaviour of animals brought onto the Fairground.
5. Exhibits dangerous or disrespectful behaviour dangerous to self or others.
6. Any other actions that the Society deems an abuse of the privilege.

The Society will implement the following sanctions as it deems appropriate:

1. Provide a verbal or written warning to cease an abusive action.
2. Place the User's name on a list for consideration of further sanction.
3. Fine the User or increase facility fees for that User.
4. Suspend the User's privilege until further notice.
5. Any unauthorized entrance onto the property, or unauthorized use or activity on the property, is considered illegal trespassing and may result in contacting law enforcement to remove the abusive patron from the property, and/or initiation of legal proceedings.

Other sanctions may be levied at the discretion of the BADAS Board of Directors.

The BADAS Board of Directors will review this policy every 1 to 2 years from the date created or as required.

Approved by the Board of Directors:

Date: _____

BADAS President

BADAS Secretary
