

## **Coordinate Location for Beaumont & District Agricultural Society Fairground**

If you were to enter Beaumont & District Ag Society's (BADAS) Fairground address (*24358 Township Road 505, Beaumont, Alberta*) into a GPS unit, you might be directed to the wrong location on the east side of the City of Beaumont, or perhaps, even more strangely, somewhere near Rolly View, AB, which is 9 to 13 miles away depending on if you are a crow or a vehicle.

The BADAS Fairground is actually located at the west edge of Beaumont, 1.75 mi (2.8 km) west of the City's 50<sup>th</sup> Street and 50<sup>th</sup> Ave intersection on Secondary Highway #814, and 0.75 mi (1.2 km) west of Range Road 243 at its intersection with 50<sup>th</sup> Ave, which currently (August 2021) marks the western boundary of residential, business, and recreational/cultural development in Beaumont.

Here is the actual coordinate location of the BADAS Entrance Gate, as collected from Google Earth with October 30, 2015, imagery. Four different coordinate formats for this location are provided below.
