NOTES AND COMMENTS:

Regular (Full) Membership Explained: Value of BADAS membership is increasing with new programs, activities, workshops, and year-round activities. We hope to attract new kinds of members. This adult membership category will allow a person to become a member without the pressure of having to volunteer for Ag Society activities. We hope to increase revenue this way.

Volunteer Membership Explained: This adult membership category is designed to reward volunteerism with reduced membership fees. Volunteer members are required to commit to a minimum of 6 hours of volunteer service. Volunteer service can be fulfilled by a designated person, isn't required of the volunteer member but needs to be recorded for their volunteer obligation.

Bookings: All riders, including those with a Season Pass, must make bookings in order to have permission to use the BADAS facilities. To see availability of BADAS Fairground facilities, check the **Booking Calendar** under "Equine Facilities" on the BADAS web site – www.beaumontagsociety.com. Information on how to make a booking and on payment options is also provided here.

***Single-Session Haul-In Fees:** Must be booked through the BADAS booking manager and does not require a rental agreement. Users are requested to bring their own water for single-day haul-ins.

****Rental Rates for Events:** Rental prices for multi-day events DO NOT include costs for renting portable toilets and bringing in extra water for washing horses. If the client so chooses, BADAS can arrange to bring portable toilets on-site and have additional water storage available – the costs will be passed on directly to the client. Such services must be negotiated when the rental agreement is set up.

†Stabling Fees: Shavings may be supplied for Covered Stabling during selected events. BADAS does not stock shavings on-site for general use and daily haul-ins. If shavings are required for an event (clinic, camp, etc.), make arrangements ahead of time with the BADAS booking manager. Supplying shavings can also be negotiated when setting up a rental agreement.
