Details to come on the Nature Trails 2026 & RV Campsite

THANK YOU VOLUNTEERS

We had such an amazing week hosting our first-ever Nature Camp! The kids had so much fun and so did we! We will be hosting this again and others as we grow. Your feedback and ideas on what camps to offer are always welcome!

Huge thank you to Deni, who envisioned the camp and created the majority of the educational materials. Thank you, Amey who helped every morning and more! Thank you, Anne Marie, Sylvia, Irene, Frieda and Afanwi for helping in the afternoon. Big thanks to Joanne and her partner and friend, and Jones, Dennis and Richard for helping set up the tent and coming to the rescue the last day of camp.

Book your next Special Event or Birthday Party at BADAS. We have our tent up and ready to go for the rest of the summer!
